What can I expect?

This qualification will prepare you for a career path in management, where you will have the opportunity to inspire and motivate others. You will discover how to apply knowledge, practical skills, and experience in leadership and management across a range of enterprise and industry contexts.

At this level, you will display initiative and judgement in planning, organising, implementing, and monitoring your workload and the workload of others. Enhance your communication skills to support individuals and teams to meet organisational or enterprise requirements. You will learn how to plan, design, apply, and evaluate solutions to unforeseen problems and identify, analyse, and synthesise
