LEARN FOR LIFE

Skill Set

CHCSS00075

CHRONIC DISEASE SELF-MANAGEMENT

Program Overview

Funding: Career Boost

Duration: 6 months

Method: Online, RPL

Payment: Upfront

What can I expect?

This Skill Set is designed for individuals who currently work, or are looking to work, in health, aged care, disability, or community services and want to strengthen their ability to support people living with chronic health conditions. You will develop the skills and knowledge to encourage and assist individuals to effectively self-manage their health, improve their wellbeing, and achieve their personal health goals.

Pathways

These competencies from CHC Community Services Training Package meet industry requirements for work with clients to provide support for their self-management of chronic disease.
