DEMENTIA SUPPORT

Program Overview

Funding: Career Boost

Duration: 6 months

Method: Online, RPL

Payment: Upfront

What can I expect?

This Skill Set is designed for individuals who already hold a Certificate III qualification or higher in Community Services, Health, or a related field and are looking to expand their skills in supporting people living with dementia. You will develop the knowledge and practical skills needed to provide person-centred dementia support, communicate effectively, respond to changing needs, and promote independence, dignity, and quality of life.

This skill set is ideal for existing support and care workers seeking to enhance their capabilities and broaden their career opportunities within aged care, disability, home and community care, and other settings that provide support to people living with dementia.

Pathways

These units of competency from the CHC Community Services Training Package provide a set of skills to assist in supporting people with dementia.
